Escape from Stress

Wave goodbye to the snow and the stress of daily life, and greet glimmering pools, at-the-ready butlers, and 12 mindfully designed restaurants. Soothe your soul in airy spaces with tasteful details, where an attentive staff eagerly meets your every need. Aboard your Celebrity cruise, relaxing by the beach replaces meetings, and on your own private veranda, the time is yours to just be.

A Personal Retreat

Modern Luxury means that your stateroom is a revitalizing haven. Pamper yourself with custom blended bath products, sleep deeply on luxurious linens with plush down comforters, enjoy your favorite

entertainment on flat screen TVs, and completely unwind as you watch the world drift serenely by.

Modern Activities that Restore

Imagine everything and nothing to do all in the same day. Exhale in the breathtaking, glass-ceilinged Solarium. Indulge in exotic treatments at the AquaSpa® by Elemis®. Stay in shape at the fitness center, featuring specialized classes, cutting-edge equipment, and personal training. Master the latest technology in the Celebrity iLounge, the first Apple reseller at sea. And relax on a heated mosaic-tiled lounge in the peaceful Persian Garden, facing the clear blue sea.

Modern Luxury Meets the Millennium

Come spring, three Celebrity Millennium Class ships will be "solsticized"—upgraded with the most beloved features, spaces, and venues from its award-winning Solstice Class fleet. The most exciting enhancement: the addition of AquaClass—ultra-luxe accommodations outfitted with spa-inspired touches that take Modern Luxury to a whole new level.

AquaClass—A World Apart

Designed to create the ultimate in blissful relaxation, the elegant AquaClass staterooms are a spa-lover's dream, filled with soothing aromatherapy scents, plush Frette® bathrobes, and Hansgrohe® showers. And every AquaClass guest is granted a personal Spa Concierge, who arranges rejuvenating treatments in the award-winning AquaSpa by Elemis.

A Spa like No Other

You push yourself to the limit—let Celebrity push back with fabulous massage and spa treatments. A modern oasis of pampering at sea, AquaSpa by Elemis offers healing therapies, acupuncture, and beauty services that recharge the body, mind, and spirit.

Go Blu

On a Celebrity cruise, even dining is a restorative experience. Blu, an exclusive epicurean retreat only for AquaClass guests, has pioneered "clean cuisine." This new concept in spa dining boasts crisp, flavorful fare—without the guilt. From Angus beef carpaccio to chilled split pea soup with crab salad, every dish is healthfully indulgent. Dine in an atmosphere that is inviting, intimate, and completely relaxing.
